"Just The Right Year"

Which year was the "right" year for Hopewell-Loudon? Was it the year the citizens of Hopewell and Loudon Townships decided they wanted their own school? Prior to that time area high school students had to be bussed to schools in Tiffin and Fostoria, but in 1939 these students could attend their own school.

Or was the "right" year 1957 or 1964 when additions were made to the school? These years saw the expansion of the school to meet the growing needs of the community.

Or was 1986 the "right" year for H-L. The year the voters approved a bond issue to finance the building of a new gym complex, and additions and renovations for the music department.

Whenever there has been a need the H-L Community has been there to support the school. In return for 46 years of support, H-L strives to graduate top quality students each year.

This is the right year for the 1986 Graduates and all who are involved, at H-L. They are grateful to the citizens for voting "Yes".

Just The Right Year . . . To Start Again.

As a new school year begins, so does an important process. Behind the books, covered by the desks, and hidden in the homework is a thing called learning. Of course the learning experience is a continuous process, from birth to death, but school is the first organized learning experience for most people. The most obvious aspect of learning is the actual classes. But high school offers many more options. Sports, teach teamwork, effort and spirit. Clubs, teach leadership and organization. Both also require dependability, cooperation and maturity. Academics and extracurricular activities help one to learn their likes and dislikes. In short, school is a large scale learning experience that helps students prepare for the rest of their lives in the real world. This book attempts to chronicle some of those learning experiences, along with all the wonderful memories they hold.

Dedication

In order for a person to be involved with our youth, they must have special qualities. Patiences, understanding, being able to listen or advise, endurance, integrity are a few of the many characteristics of the person that this yearbook is dedicated to. Having had Miss Matsick at Hopewell-Loudon has given our students an edge on life. Prior to coming to H-L she was a good elementary teacher. She also taught at Tiffin Univ. and had experience at a technical school. One might find her behind the scenes in some theator production making costumes. Guiding our young people and helping the class room teachers with records, keeps her very busy. The yearbook staff honors Miss Matsick, an honor that is long overdue.

Her office is small but her job is big.

Usually she is behind the scenes, but now she walks up stage.

(D) She walks in nobodies' shadow.

(E) Mr. Kirian, last year's recipient, bestows the dedication honors to Miss Matsick.

"You've got it all wrong!"

The Junior Class lead a very exciting and fun-filled year. Beginning with Home-ming, were representatives Natalie Kuhn and Brian Baeder. The highlight of the ear, came under the direction of Joan Hoover as the Junior Class successfully esented the 1986 Prom: "Precious Moments" at the Tiffin Civic Center. Approxi-ately 200 students, faculty and guests attended the activity which was enjoyed by .

Monthly the Juniors sponsored an in-school bake sale which proved to be profit-le. Throughtout the year they organized car washes, candy sales, a holiday cookie le and a carnation sale for "Sweetest Day". The Juniors also found time to conduct ncessions at the home varsity basketball games.

Demonstrating their enthusiasm one more time, the Juniors organized and hosted "Hawaiian Beach Party Dance", complete with Limbo and Hula Hoop contests. A rfect ending, to a perfect year.

Johnson (Joe Coleman) prepares to take finger prints of the ladies.

Dennis O'Finn (Tom Weaver) relates a narrative to the audience.

Bull In A China Shop

Murders, a handsome detective, a boarding house full of old maids and a young, pretty, female reporter. Those elements come together to make a mysterious and comical class play for the Hopewell-Loudon Seniors.

When a group of old ladies discover that a handsome, homocide detective, Dennis O'Finn (Tom Weaver) lives across the street, they just have to meet him, and what better way than to commit a murder?

When O'Finn arrives to investigate Miss Elizabeth's (Jenna Meisner) death, the other ladies are enchanted by him, he simply must visit them more often! So they employ the power of the press. Unfortunately, the reporter Jane Rogers (Lori Fox) is a woman, and she quickly falls for O'Finn, too.

After an unsuccessful attempt to kill Miss Rogers, the ladies decide that Nettie (Peg Brickner) will have to do. Inspite of his associate, Kramer's (Scott Wade) warnings, O'Finn must investigate again. The ladies expectations are dashed, however, when Miss Rogers unveils her clever plot of force O'Finn to marry her. The old ladies seem to accept the news graciously with a gift of candy, but Miss Rogers mysteriously dies only days later.

Being fed up with the whole incident, O'Finn transfers to the arson squad. The play closes with Kramer running on to stage shouting,"O'Finn, hurry! There's a fire at 121 Sycamore Street, a boarding house for old ladies!"

It was "just the right" homecoming. Queen Cherie Nickel and her court looked on as the mighty Chieftains manhandled the Ottawa Hills Green Bears by a score of 7-0.

The only score came early in the first quarter when Brian Rankin plunged in from the one-yard line. Dave Hossler added the extra point. After that the Chieftains displayed defensive power by allowing the Green Bears to only 50 total yards.

The homecoming game was preceded by a multitude of spirit building activities during the week, ending with the traditional parade and bonfire on Thursday night. The week's activities were planned by the student council, as was the dance on Saturday night with Queen Cherie Nickel as guest of honor.

Senior Class Trip

On March 22, 1986 the senior class of Hopewell-Loudon embarked on a fantastic journey. Destination: California.

Thirty Five excited seniors arrived in Los Angles to be wisked away to the hotel in Santa Monica. After snow flurries in Detroit, lying on the beach was a warm welcome!

Local News Six helped welcome us with an interview on the beach. After pizza by the pool, a group of senior persuaded the chauffer of Limosene to give them a ride. All this on our first day in California!

Sunday included tours of Hollywood, Beverly Hills, and Chinatown. That evening we attended a dinner theater in Anahiem at the Grand Hotel. Ken Barry was the star of "I Do, I Do".

The group was received by the Emera;d Hotel of Anahiem, Monday morning. Then it was off to Tiajuana where the students bargained and experienced a different culture. Old Town in San Diego was the next stop.

Tuesday was full of action at Universal Studios. Later, the group saw the taping of the series Brothers. A fantastic light and water show called "Dancing Waters" topped off the day.

Finally, on the last full day in California the seniors went to Magic Mountain and Disneyland. It was a wonderfully, exhausting day. but the trip as a whole was one we'll never forget. Thanks to all who made it possible: to the ones that bought our money makers, the teachers that were involved and the Administration for giving their permission.

Our group in Old Town, San Diego.

We had to find something to do on the bus!

This group of hams have fun posing on the airplane.

(E) Enjoying the open markets in Tiajuana.

(F) The K.I.T.T. Car, a famous attraction at Universal Studios.

There's more than one incredible shrinking woman.

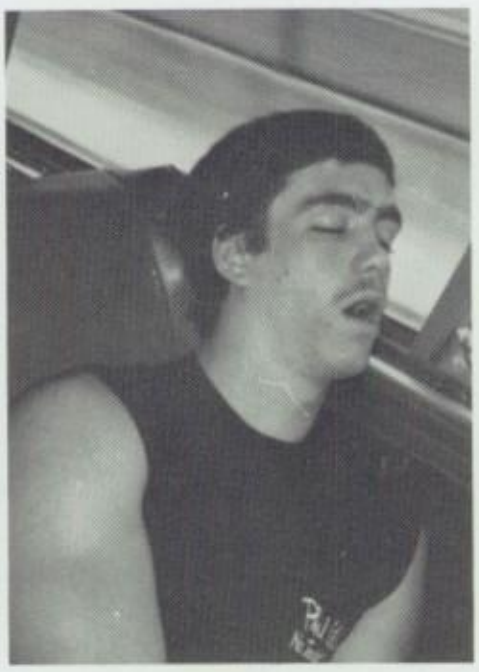
Another Majestic pose in Old Town.

Tim is as proud as a new father with his "Naked Lady" glass from the dinner theater.

"Do we have to ride the bus? Again?"

"Look everybody! We've got a Limo!"

Rob and John pose for one last picture at the hotel.



Tiajuana Love.

"Are you two trying to get guys already? We haven't even left the airport!"

Precious Moments

Prom Committee; P. Gaietto, T. Haynes, B. Agerter, N. Kuhn. Second row-C. Benner, C. Schalk, B. Shreiner, S. Werling, C. Taylor. Back row-Miss Brant, D. Clouse, C. Bentz, D. Swander, T. Ley, L. Dundore, Mr. Quiroga.

Any organization is as good as the people that are involved within it. That is why the Prom was such a big success; it was beautiful, fun exciting, and memorable all because the people that made up the student body were wonderful. The Junior decorating committee used "Precious Moments" as the theme for the Prom, which was held at the Civic Center on May 2, 1986. Entering the front door one walked under two large arches of pink and maroon balloons. There were balloons scattered throughout the hall, including trees of balloons. The students were seated on the main floor while the faculty members were in the balcony. A light buffet was served and music was furnished by "Hi Fidelity" for dancing. Couples pictures were taken in the balcony under an arch of silk flowers and greenery. This Prom holds many Precious Moments.

Scott Wade and Shelly Wise dancing cheek to cheek. Scott and Shelly are seniors.

1986 Graduates

Class Motto - Our Memories Will Last A lifetime; Class Flower - Red Tipped White Carnation; Class Colors - Red and Gray.

The graduating class of 1986 is a very talented class. Sixty-two strong they cover many academic fields. About 50% are going to college, 12.9% are planning for technical training, 9.6% have or are planning to enlist in the armed services, and 27.5% are joining the work force.

Shelly Wise missed her graduation so she could go to Columbus and bring back sixth place in the state, in hurdles, for the glory of H-L. She later had a mock graduation in her room. I bet she will always remember her graduation.

Congratulations to Kim Tahllman and David Clouse for winning the J. G. Haugh award.

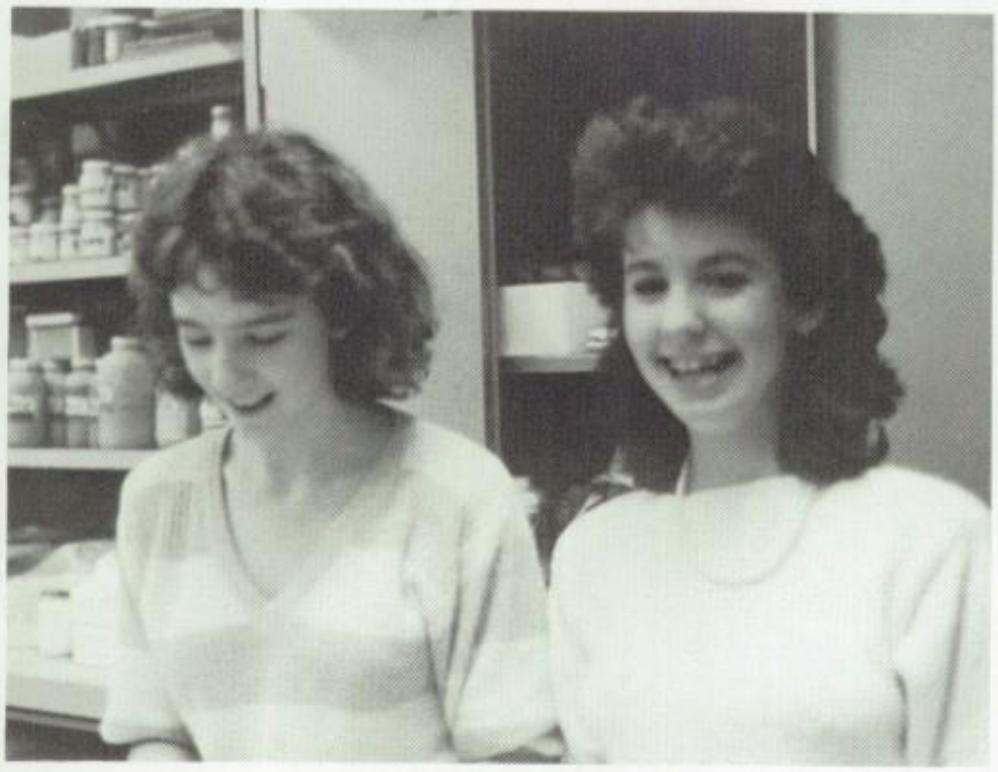
GROUPS AND EVENTS

Yearbook Staff



Lee and Lori work together on the yearbook.

Jana and Lori have spent many hours helping to compose this book.

Putting together a yearbook takes all of the staff for a year around job. If one staff member does not do their job it puts a heavy load on someone else. During the summer months there are advertisement to obtain, this helps to keep our yearbook price low compared to other schools. There are deadlines to meet such as the Senior colored section had to be sent to the publishers before Thanksgiving. Thanks to Tom Weaver, he did most of the lay-outs and write-ups for that deadline. Kim Thallman was another person that did a lot of the write-ups. Thanks to the student body who donated pictures, that were used in this book. Tonya Fey took pictures on the Senior trip to California. Tonya is not a member of the yearbook staff but she is always willing to give a helping hand. Lori Moffett and Jana Fruth joined the yearbook the first of the year. They both know how to layout a page, write it up if they have notes, crop a picture, and reduce a picture. Lori, Jana, Lee, Randy, and Sherrie spent many hours during and after school putting this book of history together. Mr. Hawk's camera class has been a big help. Having trained under Mr. Hawk, Brian Rankin helped to take a lot of pictures and Scott Swanagan did retakes for reduction in size of pictures.

Kim thinks best when perched in the window.

Right Year For Farming

The FFA had a prosperous year. Many of the members received special awards throughout the year in different contest.

Mike Thomas and David Fruth both applied for their State Farmer Degree, but neither received it. Each officer installed next year's officers at the annual member-parent banquet. This year's group was definitely just the right FFA.

(A) Sticking out your tongue helps concentration, right Mike?
(B) David accepts an award at the annual FFA Banquet.

School Spirit

As the girls' basketball team was on its way to finishing 2nd place in the Regional Championships some of the students showed their pride by wearing war paint, headbands, red and gray or painting their faces.

"Stand back Crockett and Tubbs. Here we come!"

School spirit shines bright! Whether it's following the basketball teams and the volleyball team through playoffs or homecoming Spirit week, H-L Students have pride! Hat and button day, clash day, T-shirt day, nerd-day, and jersey day were part of "Spirit Week" fun.

(D) "I'm not usually like this."

(E) For clash day, lots of people dressed up, but then most of them didn't have green hair.

(F) Joleen is definitely dressed for nerd day.

(G) "Yeah, I"m a nerd! So what?"

The math students from Hopewell-Loudon have worked hard all year and the results show. The seventh and eighth grades have both participated in the annual G.T.C.T.M. in Tiffin and some students placed high enough to receive cash awards. High school also did well on this test.

The eighth grade had Mrs. Granada, a health nurse, speak to the class about how math is important in medicine.

The high school participated in the annual A.H.S.M.E. exam. The top three students were J. Clouse, P. Brickner, and R. Clifton. John scored in the 99th percentile, and lead the team to 190th place out of 680 schools of all sizes.

English

English is one of the most important subjects taught in school. Throughout grade school, Jr. High and High School one must learn proper English if he or she is to be successful. It is the basis for communication. English classes also provide encounters with famous literature, poetry and authors. It also allows one to develop his or her writing skills.

The H-L English department gives a strong advantage to those either continuing on to college, or entering the job market. Mr. Vallery, Mr. Herge Mrs. Stoner, and Mrs. Crandall make English, to some-an otherwise boring subject, more exciting and interesting.

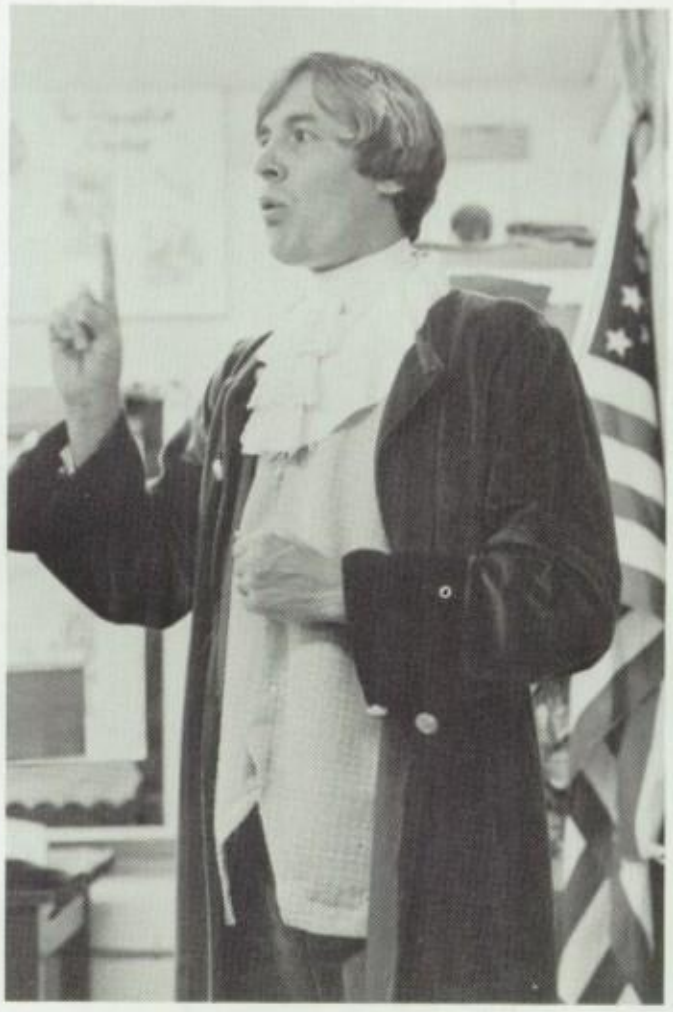
History, like Rock-n-Roll, lives forever.



"I have but one life to give for my class."

History

History came alive in many ways this year at Hopewell-Loudon. In the junior high, some highlights were the court trials at the end of the year and skits for Ohio History with Miss Cramer in the lead. Mr. Smathers kept everyone busy. The world history class observed a "Greek Day" with the class becoming Greeks for a day. American History students went on an expedition "with Lewis and Clark, on a field trip to the Hayes Memorial and Fort Meigs, and were "visited" by Col. Stark and the Green Mountain Boys. The also completed projects for "Women in History Week". Government class included trips to Columbus and Heidelburg for Government Day and a visit by "Candidate" Henry Sample.

These people, of course, are typical Greeks.

The Social Science Bowl Team, Front row- Scott Wade, Kim Thallman, David Clouse. Back Row - Shelly Wise, Mr. Smathers, Jean King, captured first place.

Science

The science department here at Hopewell-Loudon is the finest. The instructors always do their best to teach students all they need to know about general science, biology, chemistry and physic. The annual local science fair was held on March 3rd and five students received perfect scores. Six high school students and six jr. high students took their projects to the Heidelberg College Science Fair. Tony Thallman and Jana Fruth received superior ratings in the H.S. Division and were invited back for the 2nd level judging where Jana received a superior and Tony an excellent.

The Chemistry Bowl Team also excelled this year. The Team participated in the A.C.S. Chemistry Bowl at Findlay College and advanced to the quarterfinals. They defeated Marion Local but lost to Tinora. The hard work and dedication of our science department to our students has assured their excellence in this field.

Business

In todays world, business plays an importcnt part and these young people are preparing to meet the challenge. Mrs. Rouser's secretaries gave a day of their time to do typing or office work for any faculty member. They also participated in Channel Eleven's auction.

Mrs. Bodart's Accounting Team was in competition at Tiffin University, while the ABC Games traveled to Findlay College to compete weekly. The team that went into the finals were: S. Bishop, L. Brickner, D. Sendelbach, and R. Williams.

The Vo./Ag. and Industrial Arts are two places that students can create with their hands. The Vo./Ag. under the supervision of Mr. Hayes, advances the occupation of farming. Experimenting to find the best ways to get a large yield without devastating the soil.

Mr. Hawk teaches the Industrial Arts, which gives the student a chance to use power tools and make wooden items. The Camera Class also comes under this department. This is another form of art that a student can find self-satisfaction for themselves. Taking the pictures, processing the film through the dark-room and then using the negative to produce a photo.

Variety is the spice of life, that is what it was in the art dept. this year. The senior class was on an independent schedule which produced many different mediums and techniques. Students from all classes participated in the 19th Annual Five County Art Show, where 13 ribbons were awarded to H-L students. This was the first year that H-L took part in the Mohawk Art Show. Students received 12 ribbons at that show. There were many ribbons received at the Tiffin Mall Show. The art classes took a trip to the Toledo Museum of Art and to Portside. Miss Clouse, a student teacher, arranged for a tour of the B.G.S.U. art facilities and campus. Lori Fox was the top all over winner of advertising sponsored by the Advertiser-Tribune: Laura Magers placed 3rd and Tonya Butler received a 2nd in the junior division. Phy. Ed. & Health

There are a lot of important things in life but the most important is health. Most people do not realize this until they become ill. Mrs. Roby and Mr. Mays do their best to emphasize the importance of good health and exercise. Taking care of the body and eating the proper foods along with some form of exercise will equal a good life. The school offers many forms of exercise such as physical education class, weightlifting, and the various sports. Some people such as our statistitions get to use their intelligence. The weightlifting is an extra physical activity of this department. Mr. Mays is also involved with the organization S.A.D.D., which again deals with health and life.

Home Economics

In addition to the regular classroom activities in Life Skills, the freshmen had a special learning experience in dealing with handicaps. The students participated in a variety of handicap simulations which ultimately increased each students' awareness of the needs of the handicap individual.

The Living Today class completed several service projects this year. At Christmas the students made lap robes for the residents of the Good Shepherd Home in Fostoria. This spring they completed a school inprovement project which involved refinishing the doors and frame of the gymnasium.

Demonstrating the ability to deal with children effectively, the Child Development class organized and presented a one-week Nursery School for youngsters ages 3-5. The practical laboratory experience equipped the students with new and innovative ideas for entertaining young children.

This year Quize Bowl Teams were organized as a part of the gifted program at four area schools-Seneca East, Calvert, St. Wendelin and Hopewell-Loudon. Each school's team then competed against each of the other schools once. Then in March six area schools met for a county-wide competition in which the Hopewell-Loudon reached the semi-finals before being eliminated.

The students either volunteered or were recruited by Dean Kirian, Virginia Poignon and Tom Smathers. The team then held practices to improve skills and speed in answering questions in eight areas.

As usual, the Hopewell-Loudon Band, consisting of approximately 80 members, had another successful year. The season was kicked off with band camp. Students in the band practiced from 7:30 to 1:00 for one week. The band was lead by Dolores Hursey and Jenna Meisner. This year there was a special retirement show for Ray Valentine. The band marched in the Memorial Day parade in Bascom and the Firemens Convention in Wauseon, Ohio.

The Pep Band did an exceptional job igniting the crowd at all of the boys' home basketball games, and for one of the girls' games against their long time rivals. The Concert Band led by F. Zurlo, received straight I's in the district and went on to state to take straight I's in state competition. The band finished the 1985-86 season by playing for graduation.

The 1985-86 Senior Choir under the direction of Mrs. Gibson has put forth outstanding effort again this year. The choir competed in the OMEA District II Music Festival in class C and received straight I's from the judges. On the state level the choir received a II. This was quite an accomplishment. Of course, no choir would be complete without accompanists. Doing the honors this year were Sara Frankhart, Andrea Anderson and Joe Coleman on warm-ups. Lori Fox will represent H-L at the Ohio State Fair as a member of the 1986 All-Ohio Youth Choir.

The 1986 Spring musical was a great success. "The Pajama Game" was a sometimes humerous, sometimes serious, sometimes romantic production. It took 26 cast members, 21 crew members, innumerable inconspicuous helpers and music director, Miriam Gibson to make the play possible. In the musical Sid Sorokin, (T. Weaver), and Babe Williams, (L. Fox) develop a crazy romance in the middle of a labor dispute at a Pajama Factory. Several subplots and a lot of plain good acting made "The Pajama Game" a fun production.

Traveling Ensemble

Being chosen to fill one of the 28 spots in the Traveling Ensemble is an honor in itself. Based on singing and dancing coordination, many try out but those who make it are limited. This group, ranging from freshmen to seniors competes and performs throughout the school year.

The Traveling Ensemble competed in the District Solo and Ensemble contest in Marion and competed in the Ohio Northern University Swing Choir Contest, receiving superior ratings. They performed in the Seneca County Fall Chorus Festival at Bettsville High School, Findlay High School Swing Choir Festival and the H-L Halloween Carnival in November. During the Christmas season, the TE performed at the Pleasant Ridge United Methodist Church, Tiffin Moose Christmas Program, Bendix Christmas Program at Fostoria High, D. of A. home in Tiffin, Tiffin YMCA for Y-wives Christmas Program and the Wesley United Methodist Church Christmas Program in Shepherds Center. They also performed for the Shriners of the Greensprings VFW, at the Union Carbide Banquet at Meadowbrook Park, Good Shepherd Nursing home in Fostoria, St. Wendelin Circle of Mercy, and the Mother's Day Program at the Tiffin Mall. One of the Highlights of the year, was taking time out of their busy schedule to go to the Westgate Dinner Theatre to see "Mame" in December. Being in the Traveling Ensemble means taking extra time to be at morning practices before school two, sometimes three, times a week. But all the hard work pays off as in most anything one puts his time and 100% effort into. Our school is very proud of all of the honors and excellent reports our TE has received, and they should be proud of themselves.

The boys' cross country team ended the season with a 3-5 record in dual meets. Coach Smathers holds great optimism for the boys next year because all of them will be returning. The bright moment in the boys' season was when Kevin Sendelbach qualified for the state meet in Columbus. Kevin was captain of the team and will return as a senior next year. He also set a new H-L record at 16:41 minutes. Kevin has been voted "most valuable runner" for two years. Kirt Thallman, also had a good year and was voted "most improved runner" for 1985. The 1985-'86 varsity wrestling team consisting of returning lettermen and rookies, completed a tough season victoriously. They showed what it takes to be good athletes not only on the mat, but also off. The coaches not only led the team to a good record in dual and MAL meets, but also ranked in various tournaments and invitationals. The Chieftains succeeded in placing 3rd overall in the MAL. One of the highlights of the season was becoming the champions of the McComb Tournament. This team finished 3rd at the Gibsonburg Invitational, 6th at Fostoria, and 7th at Van Buren. Four Chieftains advanced from the district to the regionals; Scott Wade, Eric Beidelchies, Bill McKinney, and Dennis Welly, Eric took 3rd at the regional competition.

Girls Varsity

Varsity Team: L-R P. Arbogast, J. Meisner, S. Wise, P. Varney, A. Mosier, J. Feindel, T. Ward, L. Reinhart, J. King, J. Hoover, J. Schreiner. Head Coach Mike Pressler.

This year was a landmark for the girls basketball team from H-L. For the first time ever, the team fought their way to the regional finals, one short step away from state competion. The last time this was done was in 1958, but by the boy's team. Last year the girls put their foot in the door with their first regional competion. With the tremendous talent of the team, helped by fantastic fan support, it's easy to see how the team made it this far. Perhaps there was also and added incentive to win that last game when Coach Pressler promised to shave his prized mustache. Coach Pressler stated that the real reason for success, must be attributed to team play. The girls ended the year with a 21-5 record. The team will lose seven seniors, but younger talent shows the promise of a good team.

This year's Junior Varsity Girl's basketball team certainly had nothing to complain about! With 20-0 record for the season, they show great promise. This is the second year in a row for the girl's 20 wins and no losses, and many of these girl's faces will surely be seen on the varsity team next year!

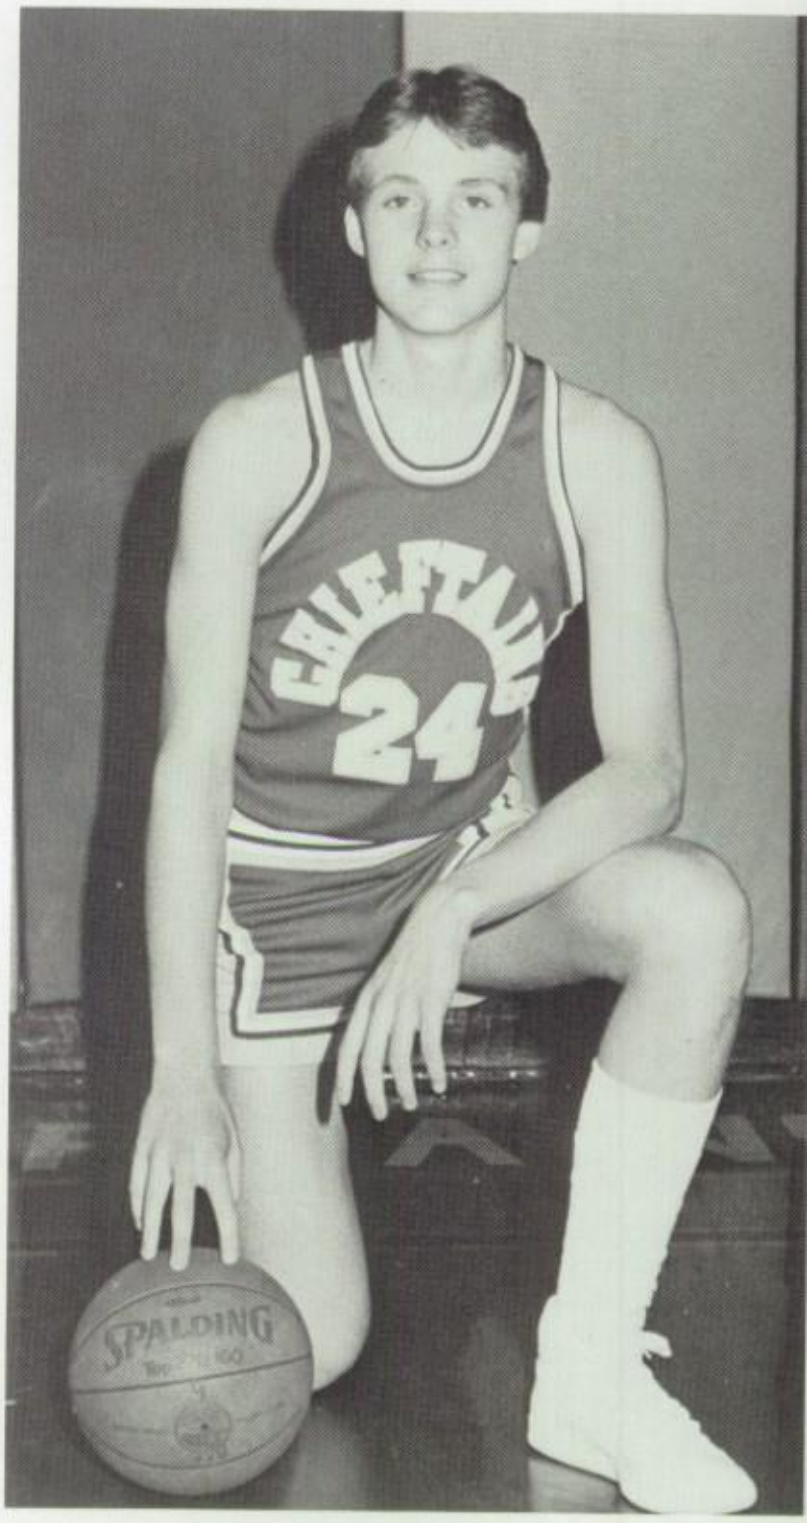
Front row-Head Coach, Ron Jump; Reserve Coach, Don Frank. Back row-Mgr., Kevin Brickner, Kevin Sendelbach, Kurt Hohman, Roger Frank, Bill Riley, Todd Huss, John Clouse, David Hossler, Ken Ardner, Jody Dillard, Mgr., Trent Ward.

Under the coaching of Ron Jump and Don Frank, this year's basketball team put forth great effort. The season was characterized by close games that had the fans anxious. The Chieftains were very snappy and worked very hard throughout the year. The highlight of the season was winning the sectional championship over archrival, St. Wendelin's Mohawks. This was the seventh trip to the district tournaments in the past nine years for the Hopewell-Loudon boys' team. The Junior Varsity team also had a good season, attributed to hard work and some upcoming talent. The varsity team will be losing three seniors this year, but have some good talent coming up. The varsity team finished their year with 10-13 record.



Bill Riley was picked for first team choice for M.A.L. His efforts were appreciated by the team.

John, Jody, Kurt and Roger are wondering how much of a win they will have.

John is listening for a change.

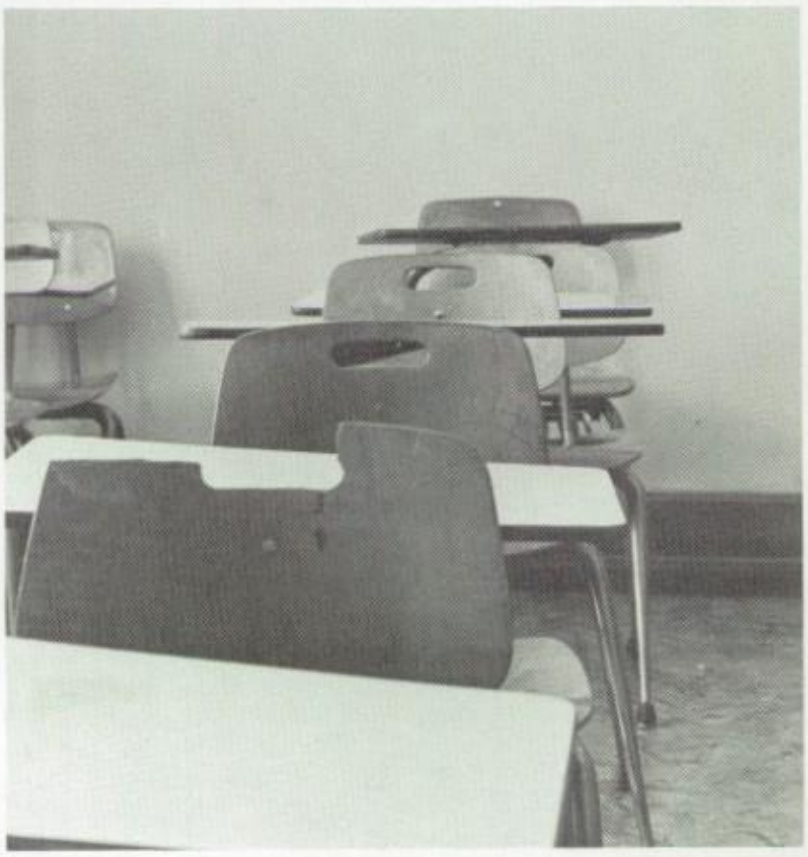
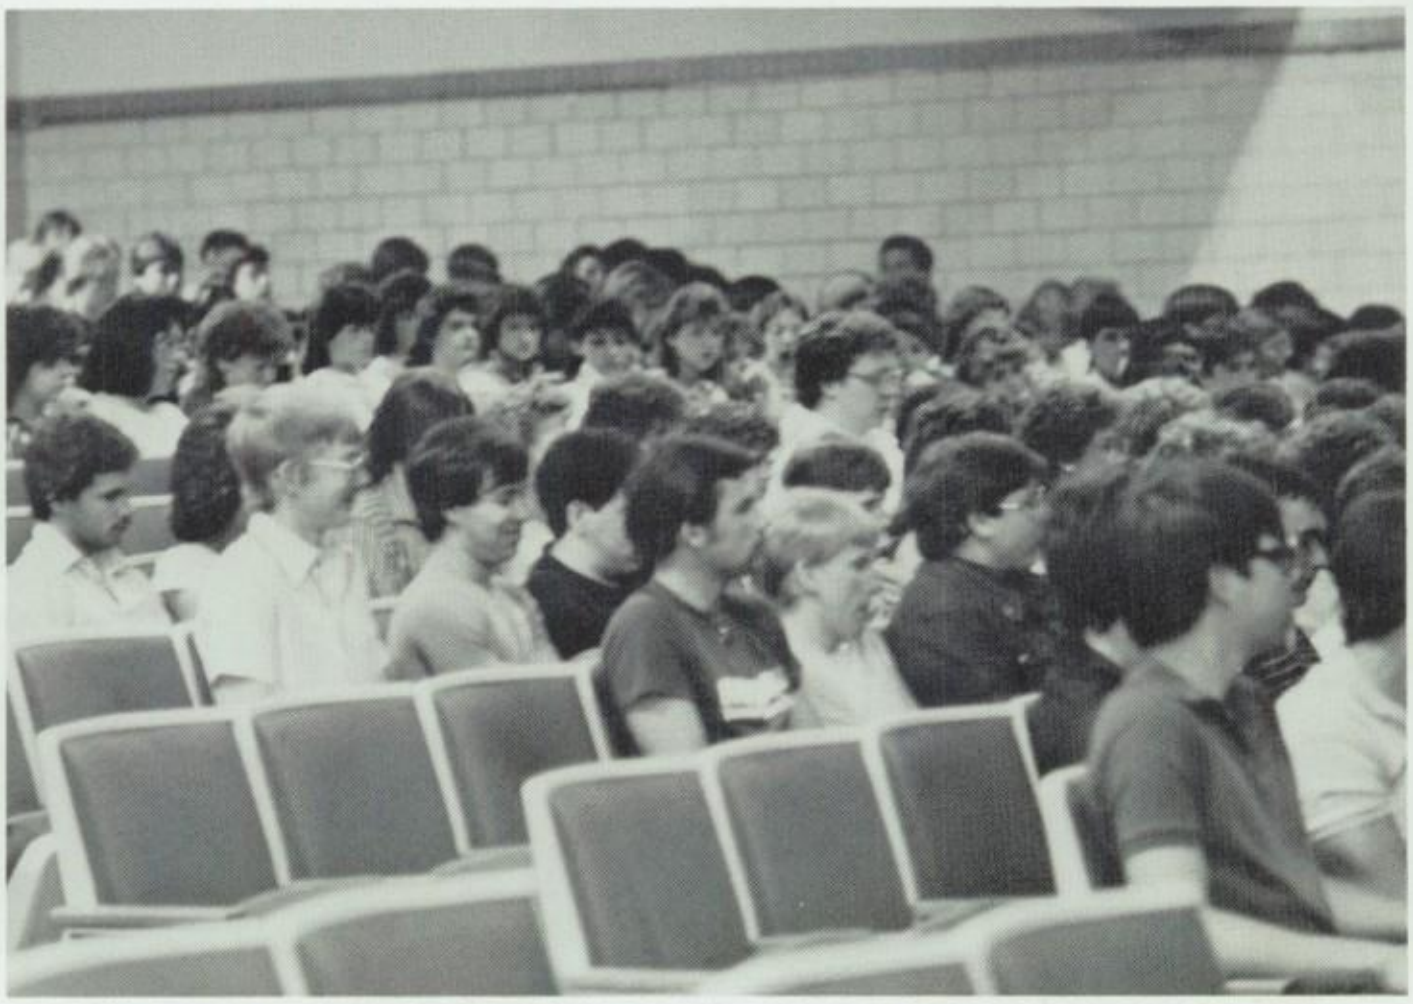
Ending The Old + Beginning The New



Indeed, this year has been just the right year for Hopewell-Loudon students. Some students will go to college in the fall, some will be back next year, but all will have precious memories of high school for a lifetime. There has been sad times for both students and faculty. Next year Hopewell-Loudon will be losing three teachers and a custodian. Due to the loss of the Vo. Ag. Program, Dale Hayes will be employed by Sentinel. Penny Brant is going to further her education at BGSU, and Lorenzo Quiroga is moving to another part of Ohio. Ray Valentine, our custodian for 30 years, will retire. There have been many fine accomplishments. For the first time an outstanding teacher was named by the National Honor Society. Dean Kirian received that honor. As we build our memories of tomorrow, we can always look back to our high school years. We can remember that some of those years were the best years of our lives.

As a Senior Scott Wade receives the honor whack.



Seniors were dismissed, so juniors could move to the senior section.

School is out so the custodians and a few students will get rooms, halls, and offices ready for the next school year. 1986-1987
